## U.N. Orders Cessation Of Palestine Warfare

### Order Jews, Egyptians To Cease Fire

Paris, Oct. 19.—(AP)—The United Nations Security Council by unanimous vote today commanded Israel and Egypt to stop at once the warfare in southern Palestine.

The cease-fire—the fifth from the council for the Holy Land—was ordered after some hesitation. Warren R. Austin of the United States, council president, was on the point of adjourning the meeting when Syria offered the cease-fire resolution.

This asked for an immediate and effective cease fire and instructed Dr. Ralph Bunche, the acting U.N. mediator, to negotiate for a return to the situation before last Friday's outbreak.

#### Ask Bernadotte-Query

The council also adopted unanimously a British-Chinese resolution asking Israel to report at an early date on progress of the investigation into the assassination of Count Folke Bernadotte, U.N. mediator. It also calls for better cooperation of Jews and Arabs with truce supervisors.

After dealing with the Palestine situation in the morning, the Security Council moved on to the Berlin crisis in the afternoon.

#### Disregard U.N. Edict

Tel Aviv, Israel, Oct. 19.—(AP)—Reliable reports said fighting spread to other Arab fronts today and continued on progress of the investigation into the assassination of Count Folke Bernadotte, U.N. mediator. It also calls for better cooperation of Jews and Arabs with truce supervisors.

(True observers informed the U.N. in Paris that Israeli forces generally were the attackers on the other fronts.)

The reports said fighting flared in the Judean foothills near Artur, a point five miles southeast of Latrun on the Tel Aviv-Jerusalem highway.

United Nations officials in Haifa told of increased activity in that area and also near Jerusalem and around Nablus north of the Holy City on the central front where Trans-Jordan forces are stationed.

Highway Link With Israel

Artur is on the left flank of the Egyptian front facing Jerusalem and its highway link with Israel.

Asked to confirm the report of the fighting an Israeli army spokesman said:

"There has been some activity in that area." (The next eight words were censored.)

U.N. field observers reported to their Haifa headquarters that Israeli forces attacked Deirabnan, two miles south of Artur. Jewish planes were reported over the Tel Aviv area northeast of Tel Aviv on the central front. Fighting with heavy weapons was heard in that vicinity.

## SECRETARY MARSHALL CONFERES WITH POPE

Rome, Oct. 19.—(AP)—Secretary of State George C. Marshall left for Paris this evening after a crowded 24-hour visit to Italy in which he conferred with Pope Pius XII, President Luigi Einaudi, Premier Alcide De Gasperi and Foreign Minister Count Carlo Sforza.

The American secretary of state, who came here from a week-end visit to Athens, Greece, was received in a private 30-minute audience by the Pope at the papal summer residence at Castel Gandolfo.

Marshall shed no light on his visit.

## Truman Rallies South Against Republicans

Raleigh, N. C., Oct. 19.—(AP)—President Truman made his first direct bid today to reunite the Democratic party and rally rebellious southerners to march "shoulder to shoulder" with him against the G.O.P.

He did it by hinting that dissatisfied states rights Democrats could cost the regular Democratic party the election. He did not make any about-face on the dissension-laden civil rights issue.

Speaking at the opening of the North Carolina State fair, the president told an out-of-doors audience:

"Today big-money Republicanism is on the march, and to beat it we've all got to stand together. That's where we Democrats belong—together—shoulder to shoulder."

The crowd greeted that with complete silence.

Mr. Truman wasn't in a scolding mood as he stood there on a platform in front of an exhibition building on the fair grounds, trying to herd straying states' rights back into the party fold.

To thousands of listening southerners, he didn't even mention his advocacy of anti-poll tax, anti-lynching and anti-discrimination legislation, the civil rights issues that brought cleavage to the Democratic party.

Nor did he mention Gov. J. Strom Thurmond of adjoining South Carolina, the states' rights presidential candidate. But in this state where it is active he tried to pull the rug from under the states' rights movement.

Cautioning against "wasted Democratic votes."

Stressing "loyalty as the great force in politics."

Saying he treasures "the right of disagreement among ourselves" without letting difference of opinion lead to betrayal of "our own best interests."

"Everybody—south or north—knows," the president said, "that there's only one choice in this campaign. Either the standard Republicans will buy the election or the standard Democrats will win."

"Other parties simply don't stand a chance."

That got a hand from the crowd.

Los Angeles, Oct. 19.—(AP)—A "round-the-world air cruise—claimed by its sponsors to be the first—will take off from here tomorrow night."

Under the direction of Hemphill World Cruises, the trip will take 67 days and will cost \$3,919 per head. Nine persons—including two 60-year-old newlyweds—will make the trip on Pan American World Airways.

Glenn F. Argenbright of Blandinsville, Ill., and Honolulu will be Mrs. Martina Vedder, Glendale, Calif., tomorrow afternoon. They plan to eat a wedding breakfast Thursday morning in Honolulu.

## Rule Phone Firm Should Cut Rates Or Improve Service

Springfield, Ill., Oct. 19.—(AP)—The Illinois Commercial Telephone company today was threatened with a rate cut unless it improves service.

A statement by the Illinois Commerce Commission said "unless service is improved the commission will reduce the company's rates in those communities where there has been no improvement."

The company serves 218 communities in downstate Illinois.

At a commission hearing earlier in the day, an Illinois commercial official testified that \$1,263,710 in improvements had been installed between January and September.

The commission called in the company to find out what progress had been made on improvements promised by the firm during hearings in 1946 and 1947 on rate increases.

In its statement, the commission said its February order granting rate boosts totaling \$670,000 annually was "predicated upon an improvement in the company's service."

Most frequent victims of fire are children. Children under five account for 20 per cent of all fire fatalities.

## Veterans Invade Mid-Town Miami In Legion Parade

Miami, Fla., Oct. 19.—(AP)—Veterans of two world wars, thousands strong, changed midtown Miami into a riot of music, color and fun today as they marched with bands playing and banners flying in the hour-long American Legion parade.

State Police Capt. Tobe Bass estimated the watching throng at between 350,000 and 400,000.

Jet fighters, B-28s and a huge, six-engine B-36 roared low over the line of march as a Marine Corps detachment in white helmets and dress uniforms stepped along to lead off the spectacle which was to last for six hours or more.

An airplane with folded wings followed by naval reservists, then bands, drill units, color guards, drum and bugle corps and bells, whistles and roaring tubs cannon that accompanied some created an eye-filling spectacle and uproarious bedlam.

A brisk shower which lasted but a moment failed to drive spectators away from their vantage points as the parade started.

## Says Reds In U.S. Would Support Russ In Conflict

Chicago, Oct. 19.—(AP)—A witness who said he is a former ranking communist testified today the communist party in this country will engage in civil war in the event of hostilities between the United States and Russia.

Joseph Zack Kornfeder, 50, said he joined the party when he was 21 and was trained in revolutionary tactics and strategy in Russia. He declared members of "the party will use any and all methods, including civil war, if their country is engaged in war, or preparing for war with the Soviet Union. The United States (communist) party will follow such a course in the event of war with Russia."

Kornfeder gave his testimony at a deportation hearing for Mrs. Agnes Deikus, 57, charged with being a member of an organization (the communist party) seeking overthrow of the government by force. Her case was taken under advisement.

Called by the government in an effort to establish the communist party as a subversive organization, Kornfeder testified he joined the party in New York. He said he became a unit organizer, later a district organizer, and eventually a member of the party's central committee.

Chicago, Oct. 19.—(AP)—Adlia Stevenson, democratic candidate for governor, said today the head of the Illinois Federation of Labor has changed his mind about republican Gov. Dwight H. Green.

Reuben G. Soderstrom, IFL president, announced Saturday his support of Green for reelection. Stevenson said that in 1944 Soderstrom termed Green "easily the most forward Illinois has even had."

Stevenson, in a statement, said that Soderstrom at that time also referred to the Green administration as "a sort of a nightmare, a bad dream, a scare and a delusion."

Stevenson claimed the support of the CIO and of many AFL unions and said he expected the United Mine Workers backing.

## Communists Say Monarcho-Fascists Killed Geo. Polk

Athens, Greece, Oct. 19.—(AP)—The radio of communist guerrilla chief Markos Vafides declared tonight that CBS Correspondent George Polk was murdered by "Monarcho-Fascists" and that the same thing may happen to Kenneth Matthews, British Broadcasting Corporation correspondent.

Matthews was abducted in the Peloponnese on Oct. 11 and is still missing. Unconfirmed reports from official Greek sources two days ago said he had been seen in a restaurant in rebel-held territory.

Prime Minister Sophoulis and Minister of Public Order Constantinos Rallis immediately expressed concern for Matthews' safety when informed of the guerrilla broadcast.

Sophoulis said the communists might kill Matthews in an attempt "to get Greece into trouble again."

ELEANOR ROOSEVELT SUPPORTS PRESIDENT

Washington, Oct. 19.—(AP)—Mrs. Franklin D. Roosevelt has written President Truman: "I am unqualifiedly for you as the Democratic candidate for the presidency."

Mrs. Roosevelt wrote the president, Oct. 4 from the Hotel Crillon in Paris where she is attending the United Nations Assembly sessions. The White House made public her letter today.

Mrs. Roosevelt also urged the election of a "liberal" Democrats to congress.

Further, said Bromley, these shows aren't lotteries.

Defines "Gamble"

"The Supreme Court," he said, "has ruled that to gamble means to squander or fritter away money. All our listeners lose is the opportunity to listen to some other program."

Bromley said people don't listen to shows like this just in the hopes of hitting the jackpot.

"Figures show," Bromley read from his prepared remarks, "that 29 and a half millions who had no chance to win listened to Miss Hush and the walking man." And he added this aside, "whatever that is."

FCC chairman Wayne Coy said he couldn't see where any skill was required.

"All that is required is the ability to read. The answer has been published in the papers. Or to hear. The answer also has been broadcast."

"Well, that's not part of our plan," said Bromley. After a moment's pause, he said, "I don't know what we're going to do about this fellow Winchell."

Walter Winchell, among others, has passed out tips on the correct tunes involved on "stop the music."

Most of the other attorneys for the broadcasters sided with Bromley and argued that the FCC has no power to halt the give-aways.

But Porter took the opposite view. The findings of NLRB Trial Examiner Arthur Left that the ITU has violated the Taft-Hartley law.

In a brief, aides of NLRB General Counsel Robert N. Denham said evidence produced in hearings reflects "an unchanging attitude and determination on the part of the ITU, commencing with the first state anti-closed shop laws in 1944 to the present moment that its three objectives shall not be affected in any way by any public law."

## U. S. Delegate Says Russ Is Bolstering Berlin Bloc

### Wallace Advises Truman To Fire George Marshall

Reading, Pa., Oct. 19.—(AP)—Henry Wallace said tonight that if President Truman had "any respect for the office he holds" he would fire Gen. George C. Marshall as secretary of state.

"I tell you," Wallace said, "that Harry S. Truman has abdicated. He still sleeps in the White House, and that's about all."

Wallace's attack on Marshall was the strongest in months of campaigning for the presidency on the Progressive party ticket. The two men formerly were quite friendly, and until recently Wallace had sent Marshall gifts of products from his farm.

But tonight Wallace said Marshall had given Mr. Truman, "contemptuous brushoff" in connection with the Truman plan—now abandoned—to send Chief Justice Vinson to Moscow for negotiations.

Wallace said he has always been under the impression that responsibility for foreign policy rests with the President, yet when Marshall returned from Paris recently "he spent most of his time not with Harry Truman, but with Secretary of Defense James Forrestal, Undersecretary of State Robert Lovett and the rest of the generals and bankers who really run our government today—and run it without any mandate from the American people." Wallace then said:

"Any President with any respect for the office he holds, and the sacred trust that is in his hands, would fire such subordinates."

## Stevenson Asserts Illinois Labor Now Backs Demos

Chicago, Oct. 19.—(AP)—Adlia Stevenson, democratic candidate for governor, said today the head of the Illinois Federation of Labor has changed his mind about republican Gov. Dwight H. Green.

Reuben G. Soderstrom, IFL president, announced Saturday his support of Green for reelection. Stevenson said that in 1944 Soderstrom termed Green "easily the most forward Illinois has even had."

Stevenson, in a statement, said that Soderstrom at that time also referred to the Green administration as "a sort of a nightmare, a bad dream, a scare and a delusion."

Texas City Blast Kills Four, Burns Twelve Seriously

Texas City, Texas, Oct. 19.—(AP)—A searing flash of exploding manufactured gas, which leaped from roadside ditches to envelop 18 stalled automobiles here last night, left four persons dead today and 12 more seriously burned.

Man others were less seriously hurt.

The heavy gas, which leaked from a pipeline, settled in the ditches along the highway for nearly a quarter of a mile.

The dead:

Clarence Stewart, 24, Negro taxi cab driver from Galveston.

Cornel Olive, 20, Negro woman, Galveston.

Sylvester Villareal, Galveston.

Jack Flynn, Joplin, Mo.

Stewart died soon after the blast. The other three died in hospitals this morning.

The blast gave uneasy hours to this Gulf City, scene of a disaster that killed 512 persons and wrecked the waterfront in April, 1947 after a French freighter blew up at its dock.

Further, said Bromley, these shows aren't lotteries.

Defines "Gamble"

"The Supreme Court," he said, "has ruled that to gamble means to squander or fritter away money. All our listeners lose is the opportunity to listen to some other program."

Bromley said people don't listen to shows like this just in the hopes of hitting the jackpot.

## Arraign Carl Bolton For Reuther Shooting

Detroit, Oct. 19.—(AP)—Carl Bolton, 39, was held for trial today after two Detroit hoodlums said he offered \$15,000 to have President Walter P. Reuther of the CIO United Auto Workers assassinated.

Recorder's Judge Christopher E. Stein held Bolton under \$75,000 bond for trial in the next term of court on a charge of assault with intent to murder. The term begins late in November.

The maximum penalty on conviction is life imprisonment.

Bolton is a former minor official in the CIO-UAW.

John Miller, a 45-year-old former member of the CIO-United Auto Workers, testified that Carl Bolton offered \$15,000 to have Reuther, and Kenneth Bannan killed.

Bannan is head of the union's big Ford department.

Their testimony was part of the 39-year-old Bolton's examination on a charge of assault with intent to kill. Reuther was critically wounded April 20 by a shotgun blast.

Describing himself as a former convict who served three prison terms for burglary, Miller testified that Bolton offered him not only the \$15,000 but also "a good job with the union" if he killed Reuther.

He said Bolton had approached him as early as September, 1947, with the word "that something was coming up." Then, in March of 1948, Bolton again mentioned the proposition, Miller testified.

On April 16, four days before Reuther was shot, Miller testified, Bolton came back again and this time "the name of Walter Reuther came up."

Bolton spoke of "rubbing out Walter Reuther," the witness said.

Miller testified that Bolton promised "you'll get it (the \$15,000) within an hour after the job is done."

Miller said Bolton also told him he could get the union job "through the people who are having this thing done."

But, the witness continued, he refused to take part.

The day before Reuther was shot, Miller testified, Bolton again came to his house to pick up two shotguns he had left there, and said, "I'm going out and get myself a ---- commit."

Bannan was also an intended victim, Miller said.

"I don't know how his name came up," he testified, "but he was supposed to get it the same way as Reuther did."

Pantella and Miller are awaiting sentence in Pontiac, Mich., on a burglary conviction.

Hamburg, Germany, Oct. 19.—(AP)—Field Marshal Walther Von Brauchitsch, commander-in-chief of the German armies until Hitler fired him after reverses in Russia, died at a British army hospital last night while awaiting trial on war crimes charges.

Von Brauchitsch, 67, died of coronary thrombosis, a heart condition. His wife, Charlotte, whom he married in 1938 at the apex of his military career, was reported near death in the hospital from the same heart condition.

She had been brought to the hospital to be near her husband in his final hours.

Von Brauchitsch had been suffering from heart trouble for some time. Demands had been voiced in Britain that he be set free, along with two other famous German field marshals—Gerd Von Rundstedt, 73, and Erich Von Manstein, 76.

Von Brauchitsch was being held along with the Field Marshals and Col. Gen. Adolf Strauss, 68, for trial on war crimes charges scheduled to begin sometime in January.

NRLB Attorneys Say ITU Opposes U.S. Labor Laws

Washington, Oct. 19.—(AP)—Attorneys for the National Labor Relations board today accused the AFL International Typographical union of waging a four-year fight to preserve closed shop conditions in newspaper composing rooms contrary to state and federal labor laws.

The government attorneys asked the NLRB to broaden considerably the findings of NLRB Trial Examiner Arthur Left that the ITU has violated the Taft-Hartley law.

In a brief, aides of NLRB General Counsel Robert N. Denham said evidence produced in hearings reflects "an unchanging attitude and determination on the part of the ITU, commencing with the first state anti-closed shop laws in 1944 to the present moment that its three objectives shall not be affected in any way by any public law."

## Asks Lift Of Siege To Solve Crisis

Paris, Oct. 19.—(AP)—The American delegate to the security council declared today that Russia was intensifying her blockade of Berlin "even as the security council deliberates."

Dr. Philip C. Jessup told the council that perhaps Russia's action in forcing vehicular traffic from the Soviet zone to detour around west Berlin to the Soviet sector was "intended as a tacit reply" to the six neutrals' request for detailed information on the blockade.

He and the other western power representatives declared the crisis could be solved only by lifting the blockade.

Council Adjourns

After hearing the three western representatives, the council adjourned until Friday at 3 p.m. with indications that some resolution supporting their demands may be ready for action at that time.

Andre Y. Vishinsky, Soviet deputy foreign minister, sat mute throughout the answers by British, French and American delegates to questions asked by the six neutrals of the council.

He had served notice last week Russia would not bite on the "bait" in these questions and be drawn into breaking her boycott of the debate.

But the Russians passed out among the delegates and correspondents an 84-page white paper containing documents on the Berlin case. There was speculation that this was Russia's indirect answer to the neutrals' queries for more information on the Soviet position.

Vishinsky Brusk

The Soviet delegate was in bad temper. Suffering from a cold, his coughs at times drowned out the western spokesmen. He brushed aside news when he entered the chamber, declaring, "I do not want to answer any questions, why should I?"

After the session he conferred privately with Juan Bramuglia, Argentine foreign minister and temporary council president during the Berlin case. Neither Bramuglia nor Vishinsky had any report to make of their conference.

Last Friday the six neutrals of the council—Argentina, Belgium, Canada, Colombia, China and Syria—asked the four big powers to give details of the traffic restrictions imposed on western Berlin, and an explanation of the Aug. 30 Moscow agreement which nearly settled the case and why it was not carried out.

Washington, Oct. 19.—(AP)—Sen. Lucas (D-Ill.) said today the Democrats will win seven to 10 seats now held by Republicans and capture Senate control.

Lucas said he based the prediction on a thorough canvass by political veterans.

He is chairman of the Democratic Senatorial Campaign committee.

He said in a statement that the Democrats (1) will retain all the seats they now hold, (2) will win seven now held by the GOP, and (3) have a better than 50-50 chance in three others.

A net shift of four seats would give the Democrats control of the Senate. The present division is 51 Republicans and 45 Democrats.

Lucas foresaw certain Democratic Senatorial victories in Minnesota, Kentucky, Oklahoma, West Virginia, Wyoming, Illinois and Iowa, where Republican-held seats are at stake.

Washington, Oct. 19.—(AP)—Gasoline refining has progressed so satisfactorily despite the CIO oil workers' strike that all rationing to service stations in the west will end immediately, the industry announced late today.

A. C. Stewart, chairman of the industry's allocation committee, also reported his committee next would recommend the manufacture of gasoline of higher octane ratings than at present, and the restoration of premium quality fuels.

**SOMETHING NEW IN TASTE APPEAL**  
That Mercer university girl who swallowed a grasshopper to win \$7 at Macon, Ga., brought back memories of the goldfish swallowing days of the Harvard and Yale boys between the two great wars.  
A good many of the gilded fish were swallowed and no one was worse off for it. The boys had a good time. The Georgia girl suffered no ill effects from the 'hopper, and indeed felt better in her conscience for having donated \$5 of her award to the community chest.  
We wouldn't go so far as to argue that great civilizing effects could be expected from a wave of goldfish and grasshopper swallowing, but if we could get our minds away from war and on more foolish things like this, we might all be better off—provided, of course, we could get the Russians to do likewise.  
It is a safe wager that if a tumbler of vodka were offered the average Russian soldier with a goldfish, he would swallow both in a jiffy. Grasshoppers wouldn't go down as smoothly, but might be tastier. Perhaps the diplomats could be induced to join the craze. Then all would get to laughing over the absurdities of life and the folly of taking it too seriously, and would forget their anger.  
It seems about as promising as any of the other schemes that have been tried on the Russians.

**A Chinese Travel Agent Looks At United States**

By HAL BOYLE  
New York, Oct. 19—(P)—What does a travel agent do on vacation? Why, he travels.  
And so, after 26 years of telling other people where to go and what to see, Norman L. Chinhow came to the United States to see for himself what he had here.  
Chinhow is really a product of the mysterious East. He is a Chinese who was born in Australia, speaks Spanish, carries a British passport, and earns his living as a travel agent for the Peruvian International Airways in Lima. This accounts for every continent except Africa.  
His impression of U. S.—"It's Good!"  
Concluding a six-week, coast-to-coast visit—not a cook's tour—Chinhow put his general impression of the United States in two polite words:  
"It's good."  
With oriental caution he qualified this endorsement by adding:  
"The people are too commercialized."  
But he thought the North Americans must also be very honest, as he saw few policemen around.  
"In Peru there are many policemen—very many," he said gravely.  
Chinhow, a slim, pleasant man of 52, flew from Peru to Washington. He managed to pass through the nation's capital without being tagged with a Dewey or a Truman button, and visited California before coming here.  
For more than a quarter century Chinhow has specialized in arranging trips back to their homeland for the 11,000 Chinese who live in Lima.  
Costs Too Much to Go Back  
The post-war inflation has knocked him out of one profitable source of business. In the old days Chinese families often escorted the bones of dead members back to China, where they could rest in calm with their hallowed ancestors.  
"But not anymore," said Chinhow sadly. "It costs too much."  
Chinhow said he is now selling more round trip tickets than he used to.  
"Many who go over to stay come right back," he said.  
"They don't like Chinese customs in China. They say they like Chinese customs in Peru better."  
**Opens Revival**  
  
**REV. RALPH RICE**  
Revival services will open Tuesday evening at 7:30 at the Nazarene church, South Main and Franklin streets, with Rev. Ralph Rice of Kankakee, Ill., as evangelist. The meetings will continue each evening through Oct. 31. The public is invited to all services.  
Rev. Rice is well known in this city, having served as pastor of the Nazarene church for four years while he attended Illinois College from which he was graduated.  
He will be assisted in conducting the revival by Mrs. Rice, Mrs. R. V. Jackson of Beardstown, song leader, and Rev. S. P. McKay, pastor.  
Llanystumdwy, Wales—(P)—A college named for Earl David Lloyd George, Britain's World War I prime minister, is to be built near his grave in this village where he died at 82 in 1945.

**Rushing Season Comes To Close At MacMurray**  
Upperclass society rushing at MacMurray college came to a close Monday evening with old and new members performing the traditional snake dance ritual on the lawn and having refreshments in The Hub. This ceremony climaxed a week end full of formal and informal parties rung around novel themes.  
Belles Lettres, as a pirate horde put on a blood-and-thunder campaign. For the formal dinner Friday evening the dining room of the Dunlap hotel was decorated as a pirate cove. Rushes were "shanghaied" to the informal party Saturday afternoon at Potter's farm outside the town, where search for buried treasure was a feature of the entertainment.  
Lambda Alpha Chi's informal party was given Friday afternoon at the Youth Center, with "Gingham Girls" as motif. The formal dinner, held at the Masonic Temple Saturday evening, was to entertain "Sophisticated Ladies."  
Phi Nu chose the Christian church as locale for their banquet Friday evening and the MacMurray Cabin for the informal party Saturday evening. Theme for both events was a nautical one, "A Cruise on the S.S. Phi Nu."  
Theta Sigma entertained its rushes at a strenuous "Roundup" Friday afternoon at the college cabin, where square dancing, roping and tying, and chuck-wagon refreshments were part of the program. The formal banquet at the Dunlap was staged as the "Theta Diamond Horseshoe."  
Membership in the societies was filled by pledging the following number: Lambda, 18; Phi Nu, 27; Belles Lettres, 25; Theta, 14.  
Jacksonville girls pledged are Carmen Covey and Doris German, Lambda Alpha Chi; Mary Breyding, Phi Nu; Rosemary Casey, Esther Wilding, and Jean Sturm, Belles Lettres.

**Red Cross Course To Be Conducted For Teachers**  
Irvin Simone, first aid, water safety and accident prevention field representative from National Red Cross headquarters St. Louis, Mo., will visit the local chapter Oct. 25-28 to conduct the junior accident prevention instruction courses for teachers in Morgan county and Jacksonville.  
Dr. D. R. Blodgett, superintendent of the city schools, and John C. Deem, county superintendent of schools, have heartily approved of this training course for teachers.  
The junior accident prevention course is for six hours and is especially applicable for students in the seventh, eighth and ninth grades. The course will be conducted in two three-hour sessions. All teachers in Morgan county and Jacksonville will be very welcome to attend these classes.  
Following are the dates and places where these classes will be conducted: Monday, Oct. 25, teachers of the Jacksonville area outside the city at the South Jacksonville school; Tuesday, Oct. 26, Community Unit District No. 27 at the Chapin high school gymnasium; Wednesday, Oct. 27, Community Unit Districts No. 1 and 6 at the Waverly high school; Thursday, Oct. 28, Jacksonville teachers at the Washington school.  
The time is from 1 to 4 p. m. and from 6 to 9 p. m. each day.

### Album Of Records Given To School By Ashland Club

Ashland—An album of Christmas records by Fred Waring has been presented to the Ashland Grade School Community Unit by the music committee of the Ashland Woman's club.

It is hoped that this gift will be the start of a music library to be used to develop an appreciation of music.

Misses Evelyn Farmer, Mary Roth, Betty Ann Yancy, Betty Roth and Betty Parkes attended the house of delegates meeting of section seven

P.H.A., held at the St. Nicholas hotel in Springfield.

Miss Yancy, Ashland's delegate to East Bay Camp, spoke on "Highlights at Camp." Miss Farmer, delegate to the national convention, described the session she attended.

Physical examinations for seniors, freshmen and prospective ball players were conducted by Dr. John Wolaver, assisted by Nurse Louise Woods.

# 1 1/2 Billion Dollar Road Block!

RAILROADS MUST OPERATE around the clock every day and night of the year.

Although they know this, leaders of 16 railroad unions are demanding a five-day, Monday through Friday, week for one million railroad employees.

They want 48 hours pay for 40 hours work—in itself a 20% wage increase.

They also demand a minimum of 12 hours pay for any work performed on Saturdays, and 16 hours pay for any work performed on Sundays and holidays.

On top of all this they want an additional increase of 25c an hour for every employee!

### You'd Pay the Bill!

Summing up these demands, they mean that these union leaders seek to force the railroads to give one million employees an annual raise which would average \$1500 per employee!

The total cost of this would be no less than 1 1/2 billion dollars per year, which is more than twice the expected net income of the railroads this year.

You'd pay the bill, because if these increased costs are forced on the railroads,

they must have still further rate and fare increases.

### Demands Unreasonable

These employees have had substantial raises during and since the war. Their average weekly earnings are higher than the average weekly earnings of workers in manufacturing industries. They have more job security than the average worker in American industry. They also enjoy paid vacations, a retirement system and other advantages more generous than the average worker receives.

In contrast with the demands of these 16 unions, which add up to the equivalent of 48c an hour, the Conductors and Trainmen recently settled their wage request for an increase of 10c an hour.

### Railroads Run for Everybody—Not Employees Alone

The railroad industry must serve not one but many groups—producers, businessmen, shippers, passengers and the general public—night and day, every day of the year. These unions are proceeding in utter disregard of this important difference between railroads and other industries. Industrial plants can be shut down over weekends and holidays, but freight, mail, express and passengers must continue to move. *Everybody who enters railroad employment knows this.*

### Strike Threat

On September 18, 1948, the leaders of these 16 unions began taking a strike vote. But the threat of a strike will not alter the opposition of the railroads to such unreasonable demands!

We are publishing this and other advertisements to talk with you at first hand about matters which are important to everybody.

### Miss Doris Jouett, Earl Spangenberg Wed At White Hall

White Hall—In a candlelight ceremony at 6:30 Saturday evening, Miss Doris Jouett, daughter of Mr. and Mrs. Otis Jouett of this city became the bride of Earl K. Spangenberg, son of Mr. and Mrs. Harry Spangen-

berg, also of this city. The Rev. Ben A. Bohn performed the double-ring ceremony in the local First Baptist church before a number of relatives and a few close friends.

Preceding the ceremony Mrs. Ben A. Bohn played several organ selections and Miss Mary Jean Griswold, soloist, sang "I Love You Truly," and "Because."

Sgt. Kenyon Cotter and Otis Jouett, Jr., brother-in-law and brother of the bride, served as candlelighters and ushers. Attendants were Mrs. Kenyon Cotter, sister of the bride, and William Spangenberg, brother of the groom.

Given in marriage by her father, the bride was attired in a wine suit with black and white accessories. A corsage of white pompoms completed her costume. Her only jewelry was a five-strand necklace of pearls the gift of the groom. Mrs. Cotter also wore a wine suit with black accessories and her corsage was of white

pompoms. Immediately following the ceremony a reception was held at the home of the bride's parents. After the reception the couple left for their home in St. Charles, Missouri, where the groom is employed.

Mrs. Spangenberg is a graduate of the White Hall high school, class of 1948, and was employed at the Shap-leigh Hardware Company in St. Louis. Her husband is also a graduate of the local high school and a veteran of World War II. He is attending A. & E. school at the Kratz airport.

### Complete Apple Picking At Farm Near Glasgow

Glasgow—The picking of the large fall crop of apples, consisting of various kinds, was completed this week at the Thomas S. Smith orchards, south of Glasgow, which also saw the finishing of the grading and packing of this year's crop at the packing shed at Drake.

According to reports, the average yield and quality of some varieties were slightly below normal this year, compared to last year's crop, while other varieties held up well in both quantity and quality.

## Two Fishermen After Job Of Seining Lake

Two commercial fishermen are bidding for the privilege of seining Lake Mauvaisterre, which is believed to be the home of several thousand pounds of rough fish.

Both offer to remove large quantities of carp, buffalo, and large catfish without harming the bass, crappie, bluegills and other fish. One fisherman has made the city a percentage proposition, while the other will be invited to address the council at the next meeting.

At the start of Monday night's council session the clerk read a letter from Howard B. Edlen of the Meredosia Fish Co., stating that he would like to be given an opportunity to bid on the seining rights at Lake Mauvaisterre, if and when the city decides it wants the job done.

Mr. Edlen mentioned that he has been connected with the fishing industry at "Morgan county's only seaport" for more than 25 years. He said he is fully equipped to seine the local lake, as the Edlen company has operated extensively along the Illinois river for years.

**Seined Lake at Park**  
Charles Swan of Beardstown, another commercial fisherman, was present in person at the council meeting. Mr. Swan seined the lake.

## Farm Home Near Merritt Burns; Contents Lost

A six room farm house one mile north of Merritt Burns was destroyed by fire Monday despite the efforts of volunteer fire fighters, who within a short time directed their efforts to saving some of the household effects.

The residence was on the farm owned by Mrs. Eugene Dodsworth of Jacksonville, and was occupied by Mr. and Mrs. Harvey McGlasson and family.

Mrs. McGlasson and children were at home at the time of the blaze, which is believed to have started in the attic. Mr. McGlasson was on a business trip to Jacksonville.

Early arrivals at the scene carried out a stove, washing machine and a few other articles, but most of the furnishings burned. The family also lost a considerable amount of clothing in the blaze.

## BOY'S ARM BROKEN IN FARM ACCIDENT

Henry James Clark, 17 year old Ashland boy, caught his right hand and arm in a corn dump Monday while working on the Stevens farm near Pleasant Plains. He sustained a fractured arm and deep laceration on his hand.

The youth was taken to St. John's hospital in Springfield for treatment.

Joe Louis Will Fight Once Again Next June

New York, Oct. 19.—(P)—Joe Louis changed his mind again Tuesday and said he will defend his heavyweight championship again next June.

The Brown Bomber said "definitely" when he announced his decision to fight Tuesday afternoon. First he had conferred with Mike Jacobs, president of the 20th Century Sporting club, and Harry Markson, recently appointed managing director of the fight promotional outfit.

Charles, Baski Or Savold

The site will be Yankee stadium and the opponent likely will be either Ezzard Charles, Joe Baski or Lee Savold.

Louis' decision to "unretire" failed to startle anybody. The champ has been wavering for some time.

It was right after he flattened Jersey Joe Walcott in the 11th round at Yankee stadium last June 25, that he said over the radio: "For my mother—this is for her—tonight was my last fight."

Since then Joe has been hedging back and forth all over the country.

The first solid indication that he intended to defend his crown for the 26th time came Sept. 14.

Hinted At Dinner

Speaking at the annual dinner of the National Boxing association in Philadelphia, the champ said he would take the full six months to make up his mind about retiring.

The NBA allows champions a half year grace between title fights.

Three days later he declared he might return and fight the winner of the Baski-Charles fight.

Tuesday he committed himself.

"I'm going to give the Joe Baski-

Indians Receive Record Shares From Series

Cincinnati, Oct. 19.—(P)—Thirty of the Cleveland Indians, who had to play an extra game after the regular season was completed in the American league to get into the world series with Boston, will collect a record \$6,772.07 apiece for becoming the champions of baseball.

The vanquished Braves divided their share of the golden kitty so that 31 players will get \$4,570.73 each.

Detroit Was High

Until this month's series, the Detroit Tigers of 1935 had played for the most money, each full share amounting to \$6,544.76.

The world series "cake" for six games, plus other items, amounted to \$1,633,685.56.

Commissioner Chandle, by executive order, took care of Marv Rickert, the Milwaukee (American Association) left fielder who joined Boston at the end of the season and took the place of the injured Jeff Heath. Chandle determined that Rickert, who played a fine defensive game and did not do so badly at bat, should get \$1,523.58 for his work. Rickert was allowed to play by special permission of the commissioner.

Chandle also decreed that John Antonelli and Paul Burris, both on the Boston staff, should get \$571.34 each.

Arrived Late

The regulars of the Boston club already had settled the series money matter when the three came into the picture.

Many of the fans who wondered what Satch Paige, the star negro hurler, would get for his fine work with Cleveland after joining the club in mid-season had nothing to fear, for the rubber armed ancient got a full cut.

St. Louis, which finished second in the National league, divided its pool so each full share was \$1,341.52.

The players' pension fund was increased \$150,000, the price paid for the sound broadcasting rights at the world series.

Chandler's office got \$245,052.82. Each winning club and each of the leagues took a \$210,104.44 crack at the jackpot.

Michigan To Beat Minnesota, Says Wildcat Mentor

Chicago, Oct. 19.—(P)—Michigan, the nation's top-ranked team, has too much speed for trawny Minnesota, but the tricky Wolverines will know they're in a football game against the Gophers at Minneapolis Saturday.

That's the opinion of Bob Volts who's Northwestern Wildcats were spilt by Michigan, 28-0, last Saturday after whipping Minnesota, 19-16, the previous week.

Volts was cautious in his appraisal of the "Little Brown Jug" classic in which once-defeated Minnesota will make its biggest Rose Bowl bid of the season against the cannon-balling Wolverines.

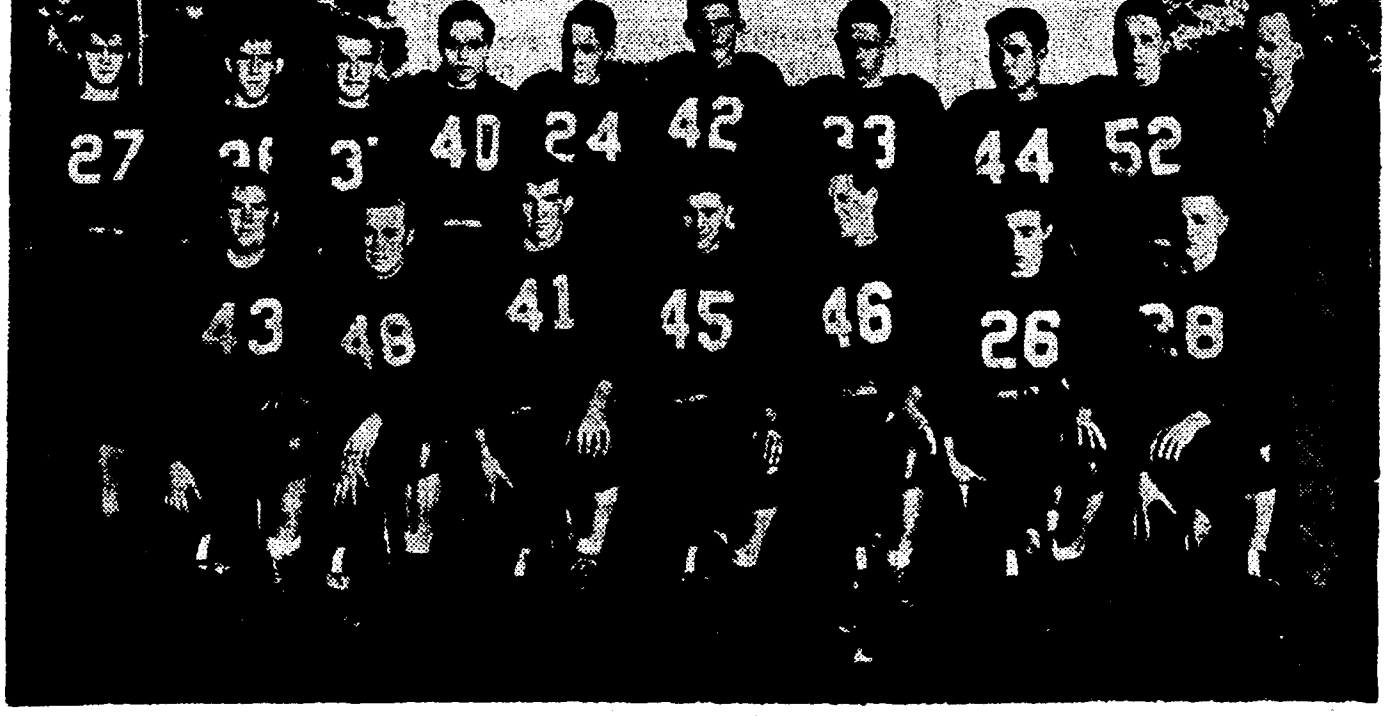

"No matter which team is up or down before this game," Volts declared at a football writers' meeting, "this rivalry always is a scorcher and you can forget all about the form sheet."

Volts recalled last year's contest in which a Michigan team regarded as slicker than this year's powerhouse had to fight desperately for a 13-6 win over a Minnesota eleven drubbed, 40-13 by Illinois the previous week.

Difference in line play was a major factor in Michigan's win over Northwestern, Volts said.

Out of 1000 male morons, there will be 705 survivors at the end of 10 years, according to an eminent doctor.

Makes Strong Bid For Ivy Title

Shown in the above picture are members of Jerseyville's undefeated football team. Jerseyville Panthers Ready For Saukees

By Bill Chipman

Jerseyville—Under the capable leadership of Coach E. V. Halt Jr., the Jerseyville Community high school football team is making the strongest bid in the school's history for the Illinois Valley conference championship.

The quiet-mannered, soft-spoken Jersey mentor has watched his proteges rack up five straight wins without defeat. Each victory has been an impressive one, as the Panthers' power and skill have dominated each game.

Hired As Cage Mentor

The success of Coach Halt's eleven is even more remarkable when one considers he was first employed as head basketball coach. The entire athletic program was dropped in Halt's lap when Football Coach Ralph Cavanah resigned to enter business.

Jerseyville invades Pittsfield Friday for the game which will probably decide the Illinois Valley title. The Panthers will be meeting their strongest opposition of the year. Coach Glen Smith's Indians are also undefeated and own five consecutive wins.

Jerseyville and Pittsfield are the only unbeaten teams in the Ivy league. Their clash will draw football fans from all over Central Illinois.

The Panthers have never defeated a Smith-coached eleven. Only two conference teams have ever done the job—Winchester in 1944, 20-13, and Roodhouse in 1947, 6-0. Pittsfield kicked Jerseyville 12-0 in 1944, 13-0 in 1945, 39-7 in 1946 and 14-6 in 1947.

Jerseyville has to go back to 1943 to show a win over the Saukees. Then they captured a 20-6 decision.

Ten Are Lettermen

Jerseyville, like Pittsfield, has a veteran club. Ten of the first eleven were lettermen in 1947. The club is sparked by two boys who are considered "sure in" when it comes to selecting an all-conference team—Dick Ralph Bailey, 167-pound right halfback and the conference's leading scorer, Jerry Hewitt, 147-pound guard, playing his fourth year as a regular in the forward wall.

The two outfits have met only one mutual opponent, Pleasant Hill. Using this game for comparison, the Panthers and the Saukees are evenly matched. Jerseyville downed the Hilltoppers 34-0, while Pittsfield won 39-0.

Both teams use almost identical man-in-motion T formations, with the Indians utilizing cross-backs to the full extent and the Panthers relying a bit more on quick opening plays. Pittsfield has shown a finer passing attack, with Zimmerman on the receiving end. Jerseyville might be given a slight edge on the ground.

Impressive Record

Smith has won two conference titles and tied for another in his four years of Pittsfield coaching. Jerseyville has never won a grid championship. Their present winning streak of five straight is the best mark in the school's history.

Coach Halt plans to start his usual combination of Herndon and Jim Waggoner, ends; Dale Bridgewater and Jim Warford, tackles; Roger Bailey and Jerry Hewitt, guards; Jim White, center; "Buzz" Davis, quarterback; Jim Thurston and Ralph Bailey, halfbacks; Dick Bell, fullback. Kenneth Jones and Bill Reynolds replace White and Thurston on defense.

The Panthers came through with the Winchester game last week in fine shape, with the exception of Bridgewater, who suffered a bruised hip. He is expected to be available by Friday night, but if the injury should sideline him, Coach Halt's club would suffer a terrific blow.

New York Stock Market

New York, Oct. 19.—(P)—Persistent selling chipped away at stock prices after a short but fast morning buying flurry in today's market.

The market stayed in higher price ground most of the day but widest gains were trimmed. Selling pressure was strong enough to push some key issues into the minus column.

Volume expanded as prices tended upward and contracted as they fell back. Turnover for the full session was at the rate of around 1,000,000 shares, or a shade below yesterday's business.

Morning buying stemmed from sudden interests in airline stocks. Demand spilled over into other groups and at one time U. S. Steel, a market pivot, reached a new high for the year with a gain of one point.

Higher most of the day were American Airlines, United Airlines, TWA, Pan American, U. S. Steel, Goodrich, Montgomery Ward, Woolworth, Boeing, Douglas Aircraft, Schenley, Western Union, General Electric, Chesapeake & Ohio and Illinois Central.

Lower at times were Goodyear, International Harvester, Johnsonville, Owens-Illinois, Pennsylvania R. R. and Standard Oil (NJ).

Bride, 19, Slept On \$15,000; Must Borrow Train Fare

Spokane, Wash., Oct. 19.—(P)—A 19-year-old bride who has been sleeping with \$15,000 under her mattress waited today for a sister to send her train fare to go back to Chicago.

She is Mrs. Betty Glenn whose 25-year-old husband, Donald G. Glenn, was arraigned yesterday on charges of embezzling \$27,261 from a Chicago bank.

The federal bureau of investigation announced last night \$15,000 in cash had been found under a mattress in a home where the newlyweds had been staying. Officers said Mrs. Glenn told them she hadn't known it was there.

The young disabled veteran and his bride of six months have been hunting and fishing near Addy, Wash., for a week. They had been staying at the home of Mr. and Mrs. I. L. Striker. Mrs. Striker said today that Mrs. Glenn was "stranded" in Addy until she received train fare from a sister in Chicago.

Decatur Man Would Sell Eye To Clear Debts

Decatur, Ill., Oct. 19.—(P)—Byron Johnson, 28-year-old cabinetmaker, says he is willing to sell one of his eyes to pay off \$3,000 in debts.

However, it appeared that Johnson will find the eye market nonexistent. In Chicago, physicians said that no reputable doctor would remove an eye from a man who has use for it.

Johnson told a reporter that he needs the \$3,000 to satisfy creditors who are pressing him for funds following the failure of his cabinet shop.

Told that his eye offer seemed drastic, he said he feels morally obligated to pay his bills as soon as possible and that he does not want to go through bankruptcy proceedings.

Johnson is unmarried. He served during World War II as an army sergeant and was wounded. He now draws compensation for a 30 per cent disability from the government.

Milwaukee Paper Supports Dewey

Milwaukee, Oct. 19.—(P)—The Milwaukee Journal announced today its support of Gov. Thomas E. Dewey for the presidency.

The Journal, an independent, did not support either Dewey or President Roosevelt in 1944. It favored Wendell Willkie in 1940.

In its endorsement, the Journal said that "Gov. Dewey meets the needs of 1948. President Truman is still thinking in those terms of 1932 which have long since been discarded."

Dewey is cooperating with those elements in America which see the dangers of our present position.

BAN MOVIE 'ROPE' IN SEATTLE THEATERS

Seattle, Oct. 19.—(P)—Seattle's theater censor board today banned further showing of the murder thriller "Rope."

The action came as the motion picture ended a two-week run and was to be shifted to a second theater.

Chairman Bernard Reiter said the board banned the picture after receiving "a number of complaints."

He said the principal objections were that it was not apparent enough the guilty are punished for their crime and it does not seem a proper picture "for children and for impressionable adults."

The antelope population of Wyoming is approximately 45,000.

Illini Varsity In Top Form; Push Frosh Over Field

Champaign, Ill., Oct. 19.—(P)—Illinois football varsity team put on its best showing of the year in practice today as it ran over, around, and through the freshman team which had been giving it trouble all season.

Paul Patterson, who did not carry the ball against Minnesota last week, and Jack Pierce, who did not even make the trip, were especially impressive.

Ervanston, Ill., Oct. 19.—(P)—Don Burson, veteran Northwestern quarterback, may be missing from the Wildcats' intersectional football game against Syracuse Saturday if he decides to undergo a tonsil operation, the team physician said today.

The squad gave its undivided attention to offense, both running and passing, in today's workout.

Wolverines Have Both Records In Offense, Defense

Chicago, Oct. 19.—(P)—Michigan, unbeaten and unscored upon in two Big Nine starts, will carry the league's best offensive and defensive record against Minnesota in their traditional "Jug" battle at Minneapolis Saturday.

The Wolverines, in trouncing Purdue and Northwestern, averaged 34 points, 165 yards by rushing and 123.5 yards by passing per game. They yielded only an average of 41.5 rushing.

That's well behind title-winning Michigan's final per game average of 242.5 by rushing and 136.8 by passing last year, but Coach Benny Oosterbaan isn't complaining.

Official league statistics Tuesday showed Minnesota, ranked fourth both offensively and defensively, lagging Michigan only by an average of five yards less per game rushing and 11.5 passing.

However, the Gophers have had one out of every two enemy passes completed against them, and Michigan has had a .533 accuracy on its aerial attack.

The Gophers are the league's best fumble artists with a whopping 14 bobbles in two games, losing the ball an average of 4.5 times per game. On the other hand, Minnesota leads in punt returns with a 50.5 average.

Brooks Extends Welcome To All New Republicans

Chicago, Oct. 19.—(P)—Senator C. Wayland Brooks, seeking reelection, said today, "The people of America recognize the need for unity and that is why they are turning to the republican party."

In a talk prepared for a political rally, he said:

"The new deal coalition, which has been promising everything, has lost the solid south; the left wing element have broken off to follow Henry Wallace, and Truman has been left with the remnants."

The republican party, he said, welcomes "all those newcomers who love America first."

WHEAT CLOSES LOWER ON PROFIT-CASHING; OATS HOLD STEADY

Chicago, Oct. 19.—(P)—Grain prices generally worked lower during today's session at the Board of Trade. Starting slightly higher, wheat ran into selling by cash houses with southwest connections. Brokers said there was no buying incentive, and that sales of flour to the government had been discontinued.

Corn, which yesterday borrowed some strength from wheat, encountered a lower cash market and favorable harvesting weather.

Oats held about steady, but soybeans lost an early advance when grains weakened.

Receipts were: wheat 4 cars, corn 130, oats 7 and soybeans 122.

At the close wheat was 1 to 1 1/2 lower than the previous close, December \$2.27-1/2. Corn was 1 1/2 to 1 3/4 lower, December \$1.40-40. Oats were 1/2 higher to 1 lower, December 75-1/2. Rye was 1/2 to 1 higher, December \$1.73. Soybeans were 1 cent to 1 1/2 lower, November \$2.44-1/2 and 1/2 lower, October \$1.98-5.

POLICE INVESTIGATE SHOOTING OF FORMER ZIEGFELD BEAUTY

Westport, Conn., Oct. 19.—(P)—The mystery-shrouded shooting of a former Ziegfeld follies beauty at a swank beach club was under police investigation here today.

She was identified by Detective Lieutenant Edward Capasse as Mrs. Mary Pidgeon, 41, of Memphis, Tenn., who he said, was a guest at the Longshore beach and Country club here.

Mrs. Pidgeon, gravely wounded in the left chest, was discovered last night by her former husband, Marcel A. Gotschli, a former managing director of the exclusive club which has among its patrons many stage, screen and radio personalities.

The cockatoo is noted for its great life span.

Titans Are Favorites Saturday, Say Coaches

Illinois Wesleyan university is trying to steal the role of underdog in this weekend's CCI combat with Illinois college. And Coaches Al Miller and Joe Brooks of the Blueboys don't like it.

Two weeks ago the hilltoppers weren't given a chance against the Titans. Now I.C. fans are freely predicting a homecoming victory. The change naturally puts the Jacksonville college mentors on the spot.

An unhealthy air of confidence was noticeable on the Illinois college campus Monday and Tuesday as the hilltoppers opened their practice for the big game this Saturday.

Like To Be Underdog

The Blueboys, who dropped nine straight games last season, have either been favored by only a touchdown or two or have been underdog in each of their four combats to date. It's worked out well for Illinois college. The hilltoppers have arisen to each occasion in remarkable style.

Coaches hate to be favored in any game. That's the reason Miller and Brooks would prefer that the Titans still were regarded as top-heavy favorites.

The westenders, themselves, have no reason to be over-confident, their coaches point out. Each and every member of the squad saw Wesleyan in action against Shurtleff. They came home raving about the Titan team. And they haven't stopped.

Have Confidence

Four victories in as many tries this season have given the Blueboys confidence in their ability, however. That is the one element which might have made a difference in as many as four of their 1947 tilts.

Getting back to Wesleyan, here's why the Titans should still be regarded as favorite in Saturday's clash:

The Bloomington school has twice the enrollment of Illinois college. That should mean more good football players.

Coach Bob Morrow, a former Chicago Cardinal and New York Yankee pro, has 13 lettermen from last year's good team.

The Green and White have picked up some outstanding 1947 prep performers, and they are coming through in fine style.

Powerful Line

Wesleyan boasts one of the finest lines in the Little Nine and has a satisfying depth in the forward wall.

Not only does the Bloomington team have some top-notch runners, but a good passing attack goes right along with the ground game.

Two all-conference veterans are on the club—Capt. Curt Brown, picked on the all-Little Nine squad for two years at center, and Pete Kearney, 220-pound left tackle.

The Titans have lost only one game this season, their 9-0 setback by Indiana State last weekend. Victories include a 26-0 win over Elmhurst and a startling 20-6 victory over powerful Wheaton, both in CCI competition. They also licked Shurtleff.

**The Loves of Carmen**

By SOPHIE KERR  
Copyright, 1948, NEA SERVICE, INC.

Serialization of screenplay from a novel by Prosper Merimee

armed man. Does he, Don Jose? Don Jose was brought up short. He replaced the knife in his belt, turning away. Pablo said to Garcia, "It would be too bad to kill him and waste the nice reward that is offered for his capture."

AS Carmen rode to the nearest town on her mule, Garcia, Pablo and Dancaire rode part way with her on a routine gypsy bandit mission in which Carmen would lure a likely looking prospect to a deserted house. The three men would then beat and rob him.

Carmen was happy to be back at work again. The hills were good for a while but Garcia was a rude old goat and Jose had been acting like a fool. It had been months since she had picked a pocket in a crowd.

Carmen liked crowds and noise. She wanted to see new faces, particularly the faces of new men who were gay instead of comically mournful like Jose, and young and gentle instead of old and cruel, like Garcia. When she thought of all she had been missing, the sap rose in her and the warm sun heated it deliciously.

She had scrubbed herself clean and put on her gayest shawl. She was man-bait to the last bright ribbon and ruffle. She was thinking of men and meant to find herself one who was young, rich and witty; handsome and glib.

From men, Carmen's mind raced on to food and drink: bonbons, cheeses, succulent and rich; warm, sweet wines. She thought of wild gypsy dancing and much music, and she promised herself that if all her expectations came true she'd not bother to meet Garcia on the outskirts of town at sunset, as she had promised. Garcia was expecting her to have some love-sick fool with bulging pockets in tow. The very notion of

she diverted herself, amused her particularly.

THE sun was low in the sky when Garcia arrived at the ruined door which marked the meeting place they had set and looked through an archway. "She's not here yet." He squinted at the sun, computing the time of day. "Another hour until sunset. Time for a game of cards before they come."

Pablo tethered the horses out of sight of the road. "Too bad the Navarro won't be here for the fun," he said and then, deliberately trying to make trouble, continued, "Does anyone know why he refused to obey Garcia's orders and come with us?"

Dancaire answered quickly and sharply, "He said he was sick and I believe him."

They sat down around a dirty pack of cards.

"He's sick, all right," Garcia said. "He's sick because Carmen is doing a little work for a change. Gypsy women do their part!" Then he turned to Dancaire, who was not a gypsy, and asked, "Don't your women contribute anything?"

Dancaire smiled wryly. "Our women do not ordinarily," he said, "pick up men and lure them into ambush to be robbed by their husbands, Garcia." He shuffled the cards deftly. "Don Jose is what he is. He is not a gypsy. He cannot think the way a gypsy does."

Garcia said, "You are not a gypsy and you think the way a gypsy does."

"I don't think at all. That is my protection. I observe and am amused. The Navarro is not an observer. He feels deeply and strongly, and what he is going through is killing him."

Garcia started his rumbling laugh. "Don't worry. I won't let him die slowly of love, Dancaire." Pablo said, "With the bull fights in Cordova this week, Carmen should have some very good luck."

He smacked his lips in anticipation. "When the bull fights are in town, the place is always crowded with nice fat pockets to pick."

Dancaire started to deal the cards.

## Mrs. Adlai Stevenson To Be Guest At Tea

### Methodist Group Holds Conference Here Last Night

Dr. Albert Cole of the Normal Baby Fold told of the United Methodist Movement at the quarterly conference of the Jacksonville group of Methodist churches. The meeting, held at Grace Methodist church Tuesday night, was preceded by a dinner in the church basement.

The movement is a financial drive to be completed within the next three years for the benefit of five Methodist institutions: Illinois Wesleyan University, Bloomington; Wesleyan Foundation at the University of Illinois State Normal, the Baby Fold and the Methodist Sunset home at Quincy.

Dr. Sidney A. Guthrie, superintendent of the Jacksonville district, discussed the plan. The layman's view of the subject was presented by Dr. Oscar Galloway and Dr. C. P. McClelland.

Approximately 120 members from 15 congregations attended the conference.

The group voted to renew the local preacher's licenses of John Grimes and Leland Walls, student pastors.

### Baptist Church Plans Visitation Evangelism Week

For many months members of the First Baptist church have been planning for a Crusade in Visitation Evangelism. During this period of preparation, Miss Mabel Withers has served as general chairman. Others who have served as heads of committees are Monroe Oyer, now of Chicago, William Sturgeon, Arthur Yates, Wayne Herrin and R. Moore Stelle, now of Austin, Texas. Many others have been at work on sub-committees.

This program is being championed by the Northern Baptist Convention, Department of Evangelism. During the week of October 31 to Nov. 5 a large number of picked members of the church will spend five evenings in preparing for and making friendly visits to Baptist preference homes in the interest of Christ and his church.

A public service of worship will open the Crusade on Sunday evening, October 31, with Rev. Charles Bromley preaching. For the past eighteen years he has been minister of the First Baptist church of Urbana. Monday evening visitors will meet for supper and training conference; Wednesday night for supper at the church and visitation; Thursday for coaching session and calling in the homes; Friday evening the church will conduct a public worship service in the sanctuary.

All members and friends of the church are cordially invited to share in this sacred endeavor.

### Export Allocation For Beans Raised For This Quarter

Washington, Oct. 19 — (AP) — The Agriculture Department today allocated 5,000,000 bushels of soybeans for export during the October-December quarter.

This is in addition to 2,835,833 bushels previously allocated for this quarter.

The new allocations were divided as follows: Germany and Japan 2,745,000 bushels, The Netherlands 474,000, France 1,667,000, and the Philippines 114,000.

### SURPLUS OF MUSIC AMONG THE WORRIES OF CASS DIRECTOR

Virginia-Lee Tanner, director of the Methodist church choir, was a little perturbed as to what selection the choir would sing next Sunday, until his father Harry Lee Tanner of Galesburg came to visit him.

Tanner, Sr., obtained the music from the Congregational church of Galesburg through Thomas Williams, director of Knox College Conservatory and Edward Lantz, music director of Galesburg's Presbyterian church. They were delighted to donate the music as it had been stored in the church attic waiting for just such an occasion.

Approximately 250 selections of the finest church music were included in the group with numbers for as many as 40 to 100 choristers.

Now Lee Tanner is still perturbed which of the 250 selections to use for next Sunday's services!

The first automobile imported into the United States was exhibited at the World's fair in 1893.

## Mrs. Joseph Franks Dies In Chicago; To Be Buried Here

Mrs. Joseph Franks, a former resident of this city, died Tuesday morning at her home, 744 Melrose st., in Chicago, following a brief illness. She was a sister of Mrs. Bertha Smith who died last Wednesday.

Mrs. Franks, whose maiden name was Sarah DeFreitas, was born on a farm northeast of Jacksonville 72 years ago and was the daughter of the late John M. and Mary DeFreitas.

She spent her early life in Jacksonville, but had resided in Chicago for many years.

Her last visit to Jacksonville was in August when she came here to attend the funeral of her brother-in-law, the late Patrolman Charles Smith.

Mrs. Franks is survived by her husband, four daughters and one son. She also leaves the following brothers and sisters: Cloyd and Ernest DeFreitas of this city; Lewis DeFreitas, Independence, Mo.; William DeFreitas, Deerfield, Ill.; Irvin DeFreitas, Peoria; two sisters, Mrs. Roy Souza and Mrs. Manuel Munis of route 3, Jacksonville. Also several nieces and nephews.

The body will be brought to the Cody & Son Memorial Home in this city probably arriving here Wednesday. Funeral arrangements have not been completed.

## Stock Virginia Lake With Bass And Blue Gills

Virginia—Department of Conservation employees "dumped" several thousand bass and blue gill fingerlings into the Virginia waterworks lake Monday in an attempt to restore some of the good fishing Virginia sport fans used to enjoy.

During the past few years fishing has been very bad. Many theories have been advanced as to the reason. Some say there are too many big fish that eat the young before they can mature; others say the chemicals used to kill the algae in the water also kills the food for the fish and they cannot grow.

Some of the fish put into the lake yesterday should be large enough to catch by next summer.

Disused Dress Factory

A committee of prominent business men was appointed at the regular meeting of the Virginia Kiwanis club to estimate the cost of erecting a building suitable for the proposed dress factory. At a meeting held at the company's office in Decatur, definite figures were asked as to rent, etc. The committee appointed will determine these factors and report to the company.

A group of Boys Scouts were entertained at the club meeting. All of those present were merit badge winners.

Trowbridge Rites At Chandlerville

Chandlerville—Funeral services for Stanley Trowbridge, 51, will be held at 2 p.m. Thursday at the Lintner and Sons Funeral home. The Rev. Frank Bush, pastor of the local Christian church, will officiate and burial will be in Chandlerville cemetery.

He is survived by his wife, three daughters and one son of Canton, his mother, Mrs. Nancy Trowbridge of Chandlerville; three brothers, Maurice, Frank and Watson, all of Chandlerville, and two sisters, Mrs. Charles Pachirrer of Canton and Mrs. William Wilson of Fairview, Ill.

Death was caused by an automobile accident near Carlyle, Ill., Sunday night. His son, Stanley, and his son-in-law remain in a serious condition in the Canton hospital.

Hayes Estate Sale Held Tuesday

A good-sized crowd attended the Edward R. Hayes estate sale held on the farm four miles southwest of Jacksonville Tuesday afternoon.

W. A. Doolin of Waverly was the auctioneer. Livestock sold well, with seven bred girls averaging \$40 a head. Eighteen shots brought \$40 a head. A limited amount of machinery was auctioned. The sale totalled \$2,500.

Florence Hayes is the administrator of the estate. The attorneys are Bellatti, Arnold and Fay.

The latter musical organization won first place in its division at the Illinois State Fair veterans' day.

## Poland China Hogs Bring Good Prices At Lawless Auction

A young Poland China boar out of Super Knight and China topped the successful breeding swine sale held Tuesday afternoon by Joseph F. Lawless and Son at their farm seven miles south of Jacksonville.

Howard McCormick of Pawnee was the successful bidder, paying \$300 for the classy individual.

The Morgan breeders sold 300 boars and 30 gilts. The former averaged \$114; the gilts averaged \$85, for a sales total of \$57,615.

Herbert Meeks of Parker, Ind., bought the No. 2 boar for \$192.50 and C. O. Anderson of Jacksonville paid \$150 for the third boar.

Robert Crooke of Bowling Green, Mo., paid \$122.50 for the top gilt. No. 2 went to Austin Patterson of Jacksonville for \$90.

Poland China breeding farms from central Illinois were well represented, with purchasers from Cass, Scott, Greene, Macoupin, Menard, Sangamon, Mason, Christian and Morgan counties.

L. L. Seeley of White Hall, Luke Gaulle of Springfield and Charles Forman of Ashland were the auctioneers. Frank Flynn and Harry Doolin were the clerks.

## Prize Chicago Real Estate Once Sold For 3c Acre

Chicago, Oct. 19 — (AP) — City officials received a reminder today that lake front Chicago real estate once sold for three cents an acre.

The past was recalled by a visit to Mayor Martin H. Kennelly by Josephine Shaer, 21, and Richard Winchester, 27, both of Dowagiac, Mich.

Miss Shaer who presented the mayor with a gold-plated fishing rod and an invitation to attend Dowagiac's centennial celebration said she and Winchester are distantly connected with the three-cents-an-acre deal.

Both, she explained, are direct descendants of Simon Pokagon, chief of the Pottawatamie Indian tribe. The Pottawatamies once owned vast lands on both sides of Lake Michigan.

In 1833, Chief Pokagon sold a few hundred acres near the mouth of the Chicago river to white settlers at the bargain price. Some of the land is now worth a million dollars an acre.

## Public Assistance Checks For Month In Mails Today

Fred E. Deatherage, superintendent of the Morgan county department of public assistance of the Illinois public aid commission, announced his October report Wednesday.

Old age pensions totaling \$36,311 were paid to 838 persons, with an average of \$43.33 per person. The number of recipients is decreased by ten over last month's report, but the average per person is up 41c.

Aid to dependent children was given to 155 families with a total of 312 children. The entire amount paid out was \$12,783. The average for each family was \$82.47 and the average per child was \$40.97. October aid was given to two less families than were given aid in September. However, this month's average was up \$2.84 per family and \$2.03 per child.

Blind assistance was paid to 34 people with assistance totaling \$1,618. The average per person was \$48.76, an increase of \$1.35 over September's average. All of the public assistance checks will be mailed out Wednesday.

## South Oak Ridge School District Asks Annexation

John C. Deem, Morgan county superintendent of schools, announced Tuesday that a public hearing would be held in the circuit courtroom at 9 a.m. Saturday, Oct. 23 to act on a petition which would annex two sections of land to the South Jacksonville school district.

The petition of Paul Barrows et al requests the annexation of sections 13-24 in township 14-10 to South Jacksonville consolidated school district No. 2.

The 1,280 acres comprises the present South Oak Ridge common school district. The school has not been an attendance unit since last spring. The balance of the district is now included in the Alexander-Franklin-Nortonville district.

Superintendent Deem requested that all persons wishing to support or oppose the granting of the petition attend the public hearing.

There will be only 20 common school districts remaining in the county if the petition is granted. These districts now maintain 15 attendance units.

Grand Jury Starts Probe In Case Of Used Car Dealers

Edwardsville, Ill., Oct. 19 — (AP) — The Madison county grand jury began an investigation today into the business affairs of two men accused of accepting hundreds of thousands of dollars in deposits on automobiles never delivered.

The two dealers in "new-used" cars, Robert L. Knetzer of Edwardsville and Arthur F. Kramer of Jerseyville, have been charged with conspiracy to defraud and obtaining money through a confidence scheme.

Kentzer's personal financial records were subpoenaed for the inquiry.

Witnesses appearing before the grand jury this afternoon included Jack A. Wolff, operator of a Springfield (Ill.) used-car lot who sold many cars to Knetzer; James Walker, an auto salesman for Knetzer, and Mr. and Mrs. Louis Grotz, Jr., of Granite City, whose complaint led to issuance of warrants against the two dealers.

Among the first witnesses heard by the jury were William C. Dunham, federal receiver in bankruptcy for Knetzer; Mrs. Dallas Harrell, Jr., office manager of the Knetzer Motor-Sales Co., and an Edwardsville bank official.
